Attention to all interested in
animation and Japanese pop culture.
The Ventura Anime Club invites you
to its Japanese Animation Screening--
a three hour showing of various
television shows and films subtitled by
fans. Japanese animation, aka anime
or Japanimation, is the distinct, often
highly detailed style of animation
created by Japanese animators.

RUROUNI KENSHIN

FUSHI GI YUUGI

We typically recognize them as "those
cute characters with oddly large eyes
and unnatural shades of hair." The
stories told leave no genre untouched
from science fiction and horror to
drama and comedy. Through this
exhibition in Ventura County, the
Ventura Anime Club, hopes to inspire
animators and filmmakers as well as
give people a glimpse of an artform
which has been a significant part of
Japan's pop culture.
